2011 CONNER-LEE CHARDONNAY

Conner-Lee is a well-manicured site in the Columbia Valley near Othello. Many of the states best wines come from here. Our block of U.C. Davis clone grapes were planted in 1991. They were whole cluster pressed, underwent full malolactic fermentation and used all native yeast

100% Chardonnay
13.8% Alcohol
3.44 PH
200 Cases
Price \$32.00

Winemaker Notes: Elegant is the key word here. Honeysuckle and lavender scents appear first, followed by deep flavors of peach and dried honey. The finish offers a hint of vanilla and firm acidity that balances things very harmoniously.
