## 2010 DIJON CLONE CHARDONNAY

Sourced from a special block at the Otis Harlan vineyard in the Yakima Valley in central Washington. It was first planted in 1957 and is one of our oldest and most revered vineyards. Believed to be the oldest Dijon Clone chardonnay vines in the state. The long growing season brought us very concentrated flavors. Whole cluster pressed, barrel fermented, and full malolactic fermentation. All native yeast and 22% French oak.

100% Chardonnay  
13.5% Alcohol  
3.4 PH  
186 Cases

**Winemaker Notes:** This is our most concentrated wine, Deep gold, and intense flavors of apricot, butterscotch, and spice. Unusually full bodied flavors reminiscent of a Corton Charlemagne from Burgundy.
